INTEGRATED MANAGEMENT POLICY STATEMENT

(9001:5.2 - 14001:5.2 - FSC: 1.1 - PEFC: 8.2.1)

Based upon consideration of products and services provided, the joint scope of Ahmarra Door Solutions, Ahmarra Door Installations and Ahmarra Installations, integrated management control system includes for the manufacture, supply and installation of fire and none fire rated doors, doorsets and bespoke joinery items within hotels, education, airports, commercial and prestige residential premises.

Our strategic intent is to continue in maintaining excellence, respect and integrity in all aspects of our business activities, whilst reflecting the highest ethical standards in relationships with our customers, employees, suppliers and service providers by additionally

- Striving for positive improvement of business processes and performance output
- Establishing objectives to help effectively communicate and support business direction
- Remaining aware of and understanding internal and external interested party concerns identified through analysis of risks both facing and resultant of business processes and activities
- Retaining an understanding of the importance of duties/roles and direct relevance to our continuing success of the business
- Seeking structured feedback from customers, to support efforts of enhancing perceived levels of satisfaction

We also aim for recognition by significant interested parties as having a positive commitment to minimise the impact of our business activities and processes on the environment, through good management and adoption of best practice wherever practical to do so, such as

- Up holding the values and principles of both the FSC and PEFC as is feasible, sourcing wood based products from well-managed and certified sources
- Striving to reduce the generation of waste
- Maintaining appropriate levels of dialogue on environmental issues
- Adopting positive attitude for the protection of the environment and prevention of pollution
- Reducing the consumption of energy resources as feasible and by using all aspects of energy wisely
- Complying with relevant environmental compliance legislation and codes of practice, at local and national level

This policy statement will be subject of review as a minimum annually, in order to confirm its on-going suitability and compliance with BS EN ISO 9001:2015, BS EN ISO 14001 and FSC/PEFC chain of custody certification compliance

On behalf of Ahmarra

Tim Doran - Managing Director
