

THE HOTEL AND HOSPITALITY
DOOR COLLECTION

MADE TO ORDER BY
ahmarra

For over 25 years, Ahmarra have been making doors for customers who appreciate quality. Our experience manufacturing in performance doorsets for prestigious hotel projects has inspired us to develop this range of doors. Ahmarra's unique approach aims to make the entire process as simple and practical as possible.

Our doorsets are made individually to order, allowing complete design freedom and ensuring that every project is truly unique. We offer three design options:

BESPOKE DESIGN - We work with hoteliers, interior designers, architects and developers to help clients achieve their desired look and build the correct specification for the hotel.

CLIENT SPECIFIC STANDARD DOORSETS - We also specialise in working with hoteliers to develop client specific standard doorsets, our clients have recognised that significant cost savings can be made by offering a uniform finish throughout and eliminating the need to re-define doorsets & ironmongery for every project.

HOTEL RANGE DOORSETS - To simplify specification, this range of pre-defined hotel doorsets offer a simple design solution whilst still allowing for options in facings and finishes enabling the specifier to tailor the design to their requirements.

WHY SHOULD YOU CHOOSE AHMARRA?

- QUALITY** We use the finest materials, cutting edge technology and traditional craftsmanship to guarantee exceptional standards.
- BESPOKE** You select the style, the material, and the finish from a wide range of options, creating the perfect look with limitless possibilities.
- GREEN** We care about our environment, our materials are FSC® certified and built to last for generations.
- BRITISH** Made in Britain to the highest quality standards, our range includes both traditional and contemporary styles to perfectly complement the interior design, we are proud to fly the flag for UK manufacturing.

Ahmarra's reputation for excellence has led to it supplying timber doors for some of the UK's finest interiors, from private homes to luxury hotels and commercial buildings. Recent 4 and 5-star London hotel projects include; InterContinental London - The O2, Apex Bath, Grange Minories, The Mondrian at Sea Containers House, The Metropolitan by Comco and The Mandarin Oriental, which are both on Park Lane.

WOOD VENEER

Veneer offers sustainability, durability, and unlimited creative possibilities. You can achieve a uniform, perfect finish and using veneers avoids the problems associated with solid wood, such as knots, splitting and staining. You can even select a different veneer for each side of the door, to suit different room styles.

BENEFITS

- Natural aesthetic
- Range of colours & grains
- FSC® certified
- Available in a range of stains
- Crown or quarter cut

We offer a full range of standard wood veneers and we are continually developing new stains for our veneers to meet customer needs as well as options for pre-dyed veneers.

LAMINATES

Laminates are chosen for their durability, ease of maintenance and wide range of colours and complementary textures. From neutral tones to vibrant colours, natural looking woodgrains to on-trend patterns, our laminate range of doors are perfect for any hotel style.

BENEFITS

- Durable
- Ease of maintenance
- Wide Range Colour options
- FSC® certified

SPECIFYING A DOOR

HOW WE MAKE IT EASY FOR YOU TO FIND AND SELECT THE PERFECT DOORSET FOR YOUR HOTEL.

Our doorsets are made individually to order, allowing complete design freedom and ensuring that every project is truly unique. **We offer three design options:**

1. BESPOKE DESIGN

We work with hoteliers, interior designers, architects and developers to help clients achieve their desired look and build the correct specification for the hotel. We realise the importance of fluidity throughout your hotel design, giving the entire build a seamless finish.

2. CLIENT SPECIFIC STANDARD DOORSETS

We also specialise in working with hoteliers to develop client specific standard doorsets, our clients have recognised that significant cost savings can be made by offering a uniform finish throughout and eliminating the need to re-define doorsets & ironmongery for every project. Please contact us for further discussion on how we can help you create your client specific doorset range.

3. HOTEL RANGE DOORSETS

Our many years' experience of manufacturing and installing doors within the hotel sector has led us to produce this range, which has been specifically tailored to suit the hotel sector.

To simplify specification, this range of pre-defined hotel doorsets offer a simple design solution whilst still allowing for options in facings and finishes enabling the specifier to tailor the design to their requirements.

Whichever option suits your project best you can be assured that our core values will be maintained. Our aim is to make the entire process as simple and practical as possible, offering solutions to the challenges presented by Building Regulations including performance requirements and complex design issues.

SITE PROTECTION

Our doors are delivered wrapped in a suitable packaging material as standard. Through our experience of site installation and the damage that can occur during the building process, we recognise the need for good, on-site protection. We now offer full site protection applied in the factory, that will allow the door to function normally (open and close) but will last until the end of the project when it can be removed. In addition we are happy to recycle the protective packaging at no extra cost.
